

JOIN APEN'S *CIRCLE OF FIRE* MONTHLY DONOR PROGRAM

Asian Pacific Environmental Network believes that all people have a right to a clean and healthy environment, in which their communities can live, work, learn, play and thrive. Towards this vision, APEN strives to organize API communities for environmental, social and economic justice, and bring fundamental changes to economic and social institutions that will prioritize public good over profits and promote the rights of every person to a decent, safe, affordable quality of life.

APEN invites you to help keep the flame of environmental and social justice burning for the long-term. By participating in the monthly donor program, you will be helping us to build a broad base of regular supporters to ensure our financial stability for years to come. Your gift will be charged automatically and securely to your credit card each month, and your gift will go even further because:

1. More money will directly support our mission, less to paperwork and postage
2. A consistent, predictable income will enable better financial planning
3. Staff time can be shifted back to supporting programs

**a record of your gift will appear on your monthly credit card statement. You may increase, decrease or suspend your gift at any time by contacting APEN at (510) 834-8920.*
